Dear Parents,

Welcome back

Welcome to the new term. Hopefully, all in our community have enjoyed the holidays, particularly the change to our regular routine.

A new term brings with it much anticipation and enthusiasm. Students will be continuing with their reading focus in their class program along with new units of work in all learning areas. After receiving their reports last term students have been encouraged to identify some areas in which to improve and strategies to use to assist with this improvement. Setting some realistic goals does contribute towards developing students who have higher levels of ownership for their own learning.

Also, this term it is important that as a school, we reduce the number of students who are arriving at school late. By arriving at the classroom door on time, students are making most use of the valuable first few minutes of the day’s program. In this time, teachers explain much of what is happening in the day ahead and importantly beginning lessons. Students who arrive late miss this crucial time and also cause disruption to the continuity of the lesson in progress.

Students should be wearing either a navy or maroon coloured fleecy jumper or track suits to school during the cooler weather. There are a number of students who are not wearing a jumper to school at all. I hope this is a personal choice and not because students do not possess a jumper. The school policy expects students to wear a maroon or blue jumper to school. These are on sale in the uniform shop.

School Opinion Surveys

The youngest student in each family was provided with an information sheet along with his/her student report card, issued before holidays. This information sheet is encouraging every family to participate in the Annual School Opinion Survey. This online survey seeks feedback from parents about key issues relating to our school – its management, teaching and learning and work with the community generally. The more parents who complete this survey, the more accurate is the resultant data. The survey is open for completion until 31 July 2015. Please set aside a few minutes to complete the survey – you are helping our school to “fine tune” how we function as a school.

A random selection of Years 5 and 6 students will complete the online Student Opinion Survey at school this or next week. Staff are also required to complete the survey.

The data and feedback received from the surveys assist our school to examine how well we are doing and to take steps to improve our performance and service to our community, as a learning organisation. Thank you, in advance, for completing this survey.

Sad news

I regret to advise that our Instrumental Music teacher, Ms Leonie Marshall, passed away in the first week of the June/July holidays. This was not expected and was a surprise to us all. Ms Marshall was absent for the last few weeks of last term. During this time, she was receiving treatment in hospital, supported by her family and friends.

Ms Marshall’s passing is very sad especially for someone who was widely loved and admired as a person and for the high standing she had within the music community. She will be missed at Grand Avenue by present and past students and at the other schools at which she taught.

On Monday morning, I spoke to instrumental students about Ms Marshall. I recognised the sadness of such an event but also emphasised the fact that Ms Marshall’s life was indeed rich, through her music, her students, her family and friends and the high performing community bands of which she was a member. This was acknowledged by her family at the funeral, which a number of Grand Avenue staff members attended.
For families with students in the school Concert band or who undertake brass/percussion instrumental music lessons, please note that **from week 2 onwards, band rehearsals and lessons will move to Thursdays** as Mrs Gordon has been appointed by the regional music coordinator to take on this instrumental teaching role on her available day.

Thank you for your understanding and support as we transition through this sad and difficult time to provide the best opportunities we can for our students.

**New teachers**

This term, there are a number of new teachers beginning at our school. We welcome the following teachers:-

- Mrs Liz Shield, replacing Mrs Doherty on Class 3D
- Ms Hayley Upperton replacing Mrs Banks on Prep B
- Ms Suzanne Lyons replacing Mrs Dutton in the SEP
- Mr Oisin Grennan who will replace Mrs Yarborough as Phys Ed teacher, Years 3 to 6.

Some of these teachers have worked at Grand Avenue previously. All in our community are asked to make these teachers welcome and assist them to settle in quickly.

**eLibrary**

This online library is currently being introduced to the school. eLibrary is an online library in which students can download books to read. There is a full range of books, suitable for all ages. Students can download a book at no cost while at home.

*An information flier was sent to every student before the holidays, detailing processes regarding the downloading of books.*

On computers, there may be a need to download software to allow the books to be saved and read. However, iPads and tablets accept the downloaded books with ease. This is a very positive initiative which has the potential to make a wonderful impact on our students.

**Woolworths Earn & Learn Promotion 2015**

Grand Avenue is excited to be taking part in the Woolworths Earn & Learn program. You can help our school by collecting Woolworths Earn & Learn Points. Just collect Woolworths Earn & Learn Points (in the form of stickers) when you shop at Woolworths between **Monday 15 July and Tuesday 8 September 2015**. We will redeem these for quality educational resources for our school.

When you purchase goods at Woolworths, the checkout officer will provide shoppers with a **sticker** for every $10 spent. (upon request) Students are asked to collect these stickers and then to stick them onto a Woolworths Earn & Learn **Points Sheet** and once it's completed, just bring it back to school or drop it into the Collection Box located in the office foyer or the **library**. The points sheets are available from Woolworths and a small supply will be provided within each classroom.

The more we collect, the more we can redeem. There are thousands of products available through the Woolworths Earn & Learn program, and we'd like to get lots of new gear! Products in the range include resources for mathematics, English, science, art & crafts, through to sports gear, library supplies and more.

*Families are not being asked to change their shopping patterns. If you shop at Woolworths, we are simply asking you to collect the stickers that are on offer.*

**Prompt Payments**

Parents are reminded that payments for activities such as excursions and presentations are advertised well in advance. Also, the due date for payment is clearly advised to the parent of every eligible student.
The school policy is that late payments cannot be accepted. Payments must be made by the due date. In difficult circumstances, parents should arrange to see our Business Services Manager, Mrs Downes, at last one week prior to the cut-off date. Prompt payment allows finalisation of the arrangements required for the activity to be safe, organised and thoroughly prepared in advance of the date of the activity.

For parents paying invoices using the new payment option of BPOINT it is imperative that you use the Invoice Number in the space provided, not the Student EQ ID number.

AFL Presentation

Year 5 students will participate in an AFL presentation on Friday afternoon from 1:30pm. Brisbane Lions representatives will speak to students about teamwork and leadership in the auditorium before conducting a skills session on the oval. There is no cost for this activity.

Student Council Market Day

The Student Council is conducting a Market Day on Friday 24th July in Kauma Hall. Each class from Years 4 to 6 will set up a stall which will sell items or provide an activity or a service to customers. Years 4 to 6 students will also be the customers at the various stalls. They are asked to bring along a small amount of money to participate as customers on the day. Stall prices will range from 50c to $3. Students are asked to bring coins not notes, if possible.

The aim of this activity is to provide an experience for students to plan, organise and conduct an activity for their peers.

Prep 2016 Enrolments

I invite families in our school and local community who have or know of eligible prep-aged students to contact our school to begin the enrolment process, as enrolments are now open. It is critical that enrolment documents and processes are completed before enrolments can be confirmed. To enable the best planning for Prep 2016 we ask that you endeavour to complete your enrolment application as soon as possible. Please be aware that there will be Prep Open Days, Information Sessions and interviews occurring over the coming months and we will keep you informed of these via the newsletter and website. We look forward to welcoming our new preps to our school community.

P&C Ekka Fun Day

Families will be issued with a flier within the next week in regard to the Ekka Fun Day being held here at the school on Wednesday 12th August. This day is the designated Ekka holiday, so there will be no school. Parents will be asked to donate some special items for the day and to ensure that this day is set aside in your diaries.

With the support of all in our community, this day will be a special day at Grand Avenue.

Regards,
Mick Quinn

Author Visit - July 21 with Year 1

Year 1 students are in for a treat on July 21. They will be visiting the Library to work with Queensland writer, Peter Carnavas. He is the author and illustrator of numerous books, including *The Children who Loved Books*, *Jessica's Box*, *Sarah's Heavy Heart*, *Oliver and George*, and *Last Tree in the City*.

In 2014, Peter delighted Year 1 students with his presentation about the writing and illustration of picture books. He encouraged the children to come up with ideas for a story on the basis that every story needs a character, and a problem. Peter then explained the difference between drawing a *picture* and producing an *illustration* - which tells a story! And the children created their own illustrations.

He also involved the children in the reading of one of his stories *Jonathon!*

The Year 1’s were captivated.

Peter Carnavas has been invited back for another day with the Year 1 students of 2015 – Tuesday 21 July.

Parents and carers are warmly invited to visit the Library during any of Peter’s sessions on that day. If you would like to buy one of Peter’s books, Orders can be taken closer to his visit.

Book Fair Thanks

Many thanks to parents and carers - and our students - for your support of our May Book Fair.

We sold books and stationery to the value of $11,032, and with 35% commission we were able to select books to the value of $3,860 from the Fair!

We also thank all those staff who helped with sales and crowd control in these two weeks of chaos.

All orders from students have now been delivered to classrooms.

Students please note there may be some delay before the books taken in commission are processed, but they will hit the shelves at some time later this year.

Our lunchtime helpers (girls from Year 6) are busily barcoding, labelling and accessioning so we get these items through quickly.

This was a very successful Book Fair!
We hope for similar results for the next Book Fair, to be held from Monday, November 2 until Friday November 6.

MUSIC NOTES

Music Notes

Instrumental Lesson Timetables
Timetables for the term are currently being completed and all Instrumental Music students should have a Term 3 timetable to bring home from their Week 2 lesson. If you see that there will be any problem with your child’s lesson time in a particular week, due to a class excursion or special event, please contact your child’s Instrumental Music Teacher as soon as possible via email. Adjustments to the timetable may be required as the term progresses due to unforeseen events. Thank you for preparing your child for their weekly instrumental lesson.

Band & Ensemble Folders
Folders for Instrumental Music students in Concert Band and String Ensemble are now available for $12 each from the GASS Uniform Shop. Please note that these folders are different in size and design to the Choir Folders which are also sold through the Uniform Shop for $10 each.

All 2015 new String, Woodwind, Brass and Percussion students will require a Band/Ensemble folder this semester as per the 2015 Instrumental Music Handbook.

Senior Choir – Singfest
The Senior Choir is currently preparing pieces to perform in this year’s SINGFEST at the Old Museum Building on **Wednesday 19 August**. Please read, complete and return the note that will be sent home next Wednesday (week 2) regarding this excursion. There will be a small cost involved for this experience.

Name Your Music Property
*Please parents and carers could you ensure that your child’s personal Instrument, Music and Music/Choir/Band Folder are clearly marked with a Family name.*

All school owned property has either a school logo key tag, EDQUIP number or identifying sticker which enables staff to match the property with the current student to which it is on loan and does not require additional labelling. All private property must be clearly marked with at least the surname of the student to which it belongs. This is to ensure that any misplaced items can be returned to their rightful owner. Thank you for your attention to this vital task.

SENIOR CHOIR, JUNIOR CHOIR, SENIOR BAND & STRING ENSEMBLE REHEARSALS
Please parents and carers could you ensure that your child is not only regularly attending their rehearsal (as listed below) but they are also ready and prepared for the rehearsal with the correct equipment and home practice.

Notification via email or written note to the relevant conductor is required for all students who do not attend a scheduled rehearsal.
