Dear Parents,

**Good Manners Make a Difference**

Traditional values are the foundations that drive the Grand Avenue school vision. They *underpin the relationships between students, staff, parents and the community.*

- **Quality Relationships** – *this is reflected in the respect, care and compassion we have for each other.*
- **Excellence in Achievement** – *this is reflected in us individually doing our best and taking personal responsibility for our own learning.*
- **Meaningful Communication** – *this is reflected in our desire to understand each other and be an inclusive community where everyone enjoys a sense of belonging. Integrity features in all interactions with one another.*
- **All members of our learning community are invited to embrace our vision and adopt our key values as we build a bigger and better future for all students.**
- **The recognition that we give to our values defines our sense of belonging and the respect that we have for one another and our learning community.**

A new member of the school staff reported this week on the excellent standard of manners displayed by our students. Regular “good morning/afternoon” and “please” and “thank you” from students has been highly notable. This officer has worked at other schools and conveyed her pleasure to see our students so well-mannered and positive towards others.

This feedback is very encouraging. Yes, we are fully focussed on teaching and learning to achieve high academic standards for all students. However, we are also focussed on developing young learners as people. Good manners, respect, tolerance and co-operation are foundations skills for students to acquire and practice as they pass along life’s journey. All students have the capability to use good manners appropriately at the desired time – good manners conveys a positive picture of the student and is the first step towards building a positive relationship.

**Adventure Playgrounds – Before & After School**

Students and parents are reminded that all adventure playgrounds are "out of bounds" before and after school. The play equipment is of different heights and is only suitable to specific age groups. The “fall height” for each playground is different. Also, the students need to be supervised by staff members while playing on the equipment. As the students are in the school grounds it is not appropriate that parents assume they can provide supervision. This is a safety rule aimed at benefitting students.

This expectation applies especially to the Prep playgrounds and includes children younger than school age.

**Memorial Service**

On Wednesday morning, a ceremony was held at the front of the school in the *Peace Garden*, in remembrance of Ms Leonie Marshall. Ms Marshall was an instrumental music teacher at Grand Avenue SS, who passed away in June.

The ceremony was attended by Ms Marshall’s family, student members of the music program, parents and some staff members. An opening address by Mrs Brown recounted Ms Marshall’s work at Grand Avenue, how well she connected with her students and the standards she achieved with them. An ensemble played a lovely song and a plaque was unveiled to ensure that the memory of Ms Marshall and the contribution she made to our school, will live on. Members of Ms Marshall’s family and students then released purple balloons into the air. This was a touching ceremony, highly appreciated by Ms Marshall’s family.

The Peace Garden is located behind the concrete wall at the front of the school. There are plaques secured to a large stone, in remembrance of other staff members and students who have passed away.

Mick Quinn

Volume, capacity, length... What a week our Year 3’s have had using hands-on materials to explore the concepts of measurement. The students, under the direction of their Teacher, Teacher Aides and the Numeracy Coach have had the chance to explore and experiment with how to measure all sorts of materials. Students have used formal and informal units to measure things, such as, water and play dough. The four different stations have provided opportunities for explicit teaching and dynamic learning. A big thank you to Toni Fox, our P-3 Numeracy coach, for setting up the stations so the students can test the skills and theories!
On Wednesday the 19\textsuperscript{th} and Saturday the 22\textsuperscript{nd} August, I had the pleasure of meeting new families to our school at the Prep 2016 Open Days. This was an opportunity for our prospective students along with their parents to explore the environment, complete some activities and play on equipment in the fantastic Prep area. It is all about ensuring that the children become familiar with their environment and aide in the transition process. The research suggests that a smooth transition to Prep ensures future success for a child’s education.

We look forward to meeting our parents again at the upcoming Parent Information Sessions on Tuesday 8\textsuperscript{th} September at 9:00am or repeated session at 6:00pm. It is important for parents to attend this meeting to receive their Prep 2016 booklist, hear about the curriculum, school programs and processes and have the opportunity to look at our school uniforms and meet some Prep teachers.

We look forward to welcoming our new families to the Grand Avenue State School Community.

Mrs Sharyn Brown
Deputy Principal
There are quite a number of families who still have a substantial balance owing for the Canberra Tour. Please remember that the balance must be fully paid by Thursday 17th September 2015. (Please remember the nature of the non-refundable deposit if final payments are forfeited.)

Thank you to those families who have returned their consent/medical forms (which are also due on the 17th). These forms were sent home earlier this term and were all individually named and printed on green paper. Blank, generic copies are available on the school website if yours has been misplaced and in the covering letter you will find further information.

Student attendance remains critical but especially as during next term, there will be times when I need to meet Canberra students to discuss matters dear to their hearts (like “Buddies” and food!) and will often try to fit quick meetings in around prime teaching time.

Chaperones have also been invoiced and I will be making contact again with you early next term to arrange next-of-kin and other information.

INAла DISTRICT ATHLETICS

On Monday 3rd August and Wednesday 5th August, students from Grand Avenue State School represented our school at the Inala District Athletics Carnival which was held at Glenala State High School. Students competed in a range of athletics events including 100m, 200m, 800m, shot put, high jump, long jump and discus.

All of our students performed extremely well over the two days and certainly displayed tremendous pride in their school. I have to commend all of the students for their wonderful behaviour, commitment and sportsmanship at the Athletics carnival. It was my pleasure to manage such an awesome team.

I’d also like to thank the Grand Avenue State School P&C for purchasing additional athletics singlets for this year’s carnival. Once again, our athletes looked very professional on the two days of competition.

Name Your Music Property

Please parents and carers could you ensure that your child’s personal Instrument, Music and Music/Choir/Band Folder are clearly marked with a Family name.

Thank you for your attention to this vital task.

Senior Choir – Singfest

Last Wednesday sixteen very eager and excited Senior Choir students and Mrs Gordon boarded a bus to participate in this year’s SINGFEST at the Old Museum Building in Brisbane. They joined 400 other State School choir students working with Miss Anne Pook (EQ Music Teacher & Vocal Specialist) on six pieces that all had been preparing for this special day. The Grand Avenue students enjoyed combining their voices with the other students and the breaks to explore the beautiful gardens. The biggest thrill was yet to come at the evening concert where they performed in front of their family and friends. Mrs Gordon was very proud to accompany the GASS students and commends them for their preparation and participation in the day. Thank you to Mr Thorne and Mrs Brown who came in to the afternoon rehearsal and assisted getting everyone ready for the concert.
Singfest - Message of thanks from Mr Thorne..

I, along with fellow Deputy, Mrs Sharyn Brown, had the pleasure of listening to the 400 strong ensemble perform before a packed auditorium of family and friends. It was a wonderful experience. We look forward to participating next year and I would like to extend heart-felt gratitude to Mrs Gordon for arranging this experience and also the families and Mrs Brown for their support and attendance. It was a wonderful experience for our students and as usual, they displayed impeccable behaviour. Well done!

All of the teaching staff did a fabulous job encouraging their students, and collating forms and money. Mrs Brown, Mr Quinn, Ms Vellnagel all did an amazing job coordinating the process. Thank you to Kelly Taggart-Wilson who spent most of the day in the tuckshop handing out ice blocks to the students. Thank you to Mr Grennan for helping set out the course. Thank you to ALL the parents and families who prepared costumes, took their children out doorknocking, or donated money, and came to support on the day. And thank you to BuzzBean for bringing the mobile café.

Foster carers needed

Anglicare has recently been in contact with school. There is a need for foster carers in this area – including for a student who is attending Grand Avenue State School. Please read the letter below for more info, or contact Hayley Toon – Service Manager at Anglicare Brisbane 30284700, htoon@anglicaresq.org.au.

“We are trying to find expression of interests from families within the Forest Lake area to meet the need of the local community and the children that are coming into foster care.

“Last month alone we had over 70 referrals for children in the southwest area (Forest Lake and Inala) and we as an agency could only secure placements for 11 of those children. We have this week received referrals for sibling groups of 4, an unborn baby, a teenager and a school aged child. The need for support for families and children coming from abusive and neglectful environments is very real and we need committed and passionate people to open their hearts and homes to help. We are also looking for specific carers that might be able to assist in the placement of a girl through Grand Avenue State School.

“Anglicare provide ongoing support to any new applicant through home visits, training, emotional and practical support and liaison with Child Safety on their behalf. We are interested in speaking with anyone who has an interest in the fostering path and we can answer any questions about the process and the experience.”

Monday – Thursday  8.30am – 2.30pm
Hi everyone,

I can’t believe this term has almost gone, been the fastest yet! Just a reminder that next week we have our Father’s Day stall at the school. There are times when each Prep – Yr 4 class can go and a general open time as well. (See below). Gifts are from $1 to $15. Donna Clark is arranging helpers for the 3 day event. She can be contacted on our P&C Facebook page if you want to help.

Final plans are being done for the multi-purpose court down next to the cricket nets. At our next meeting in October we hope to select a contractor ready to build over the long holiday. All of the money has come from fundraising events done during the year - discos, Father’s/Mother’s Day stalls, markets, BBQs and the big EKKA day event. Almost $60,000 has been raised from these events! What a great achievement from a great team of people led by Donna.

Our other big project this year is to extend our OSHC. We are planning to increase the room available from 150 children to 180. We hope this will give us the space we need for the extra families joining our school next year. The cost of this is unknown at this stage but plans and costings will be discussed at an upcoming meeting. This project is being funded by OSHC. Our next P&C meeting will be on Tuesday 15th September at 7:00pm in the Staffroom.

Please remember to join our Facebook page – it’s a great way to keep up to date with school events and ask any questions relating to our P&C.

Thank you,

Gavin Rook
