Dear Parents,

**Early Years Literacy**

It is very pleasing to see our younger students working so well with their literacy. Students enthusiastically apply themselves to learning their phonograms, learning their “sight words”, developing their spelling skills and of course committing so positively to their guided reading. The implementation of our early years literacy program is consistent across the school with all approaches based on research. Teachers are working hard in this critical area, supported by our literacy coach, with support from our deputy principals.

During visits to classes over the past few weeks, I have witnessed some outstanding practices in place in classrooms. Further, students are dedicated, focussed and committed to do their best, including accepting challenges presented to them. This is a very positive initiative at our school and is building a strong foundation in literacy which is important for students as they progress with their future learning.

**QSchools App – A way of communicating quickly with parents**

The QSchools app is available for parents to download directly onto your mobile phone. When parents do this, it allows the school to send important but urgent messages to parents. These messages are called “push notifications”. Some examples may be early collection from school in very wet weather, cancellation of a school event or late arrival of a bus from camp. Other messages may be special events and important dates.

Parents who have downloaded the QSchools app will receive these messages. However, to be fully effective, all parents need to be able to access this message service. It is not an effective way of communicating when only approx. one-third of our parents are contactable in this way.

If we can increase the number of parents who download the app, we then will have an effective way of providing urgent communication to parents. Every parent is encouraged to download the QSchools app – find instructions later in the newsletter.

**Student Council**

The Student Council is planning to hold a student “Market Day”. The market day will be held early in Term 3, running across a lunch hour. Classes from Years 4 to 6 will each plan and conduct a stall. This planning is already underway. The stalls will be selling a product, providing a service, or conducting a game/activity. Students will do as much as possible in the planning and running of the stall. It is a great opportunity for students to develop their organisational skills, to work together and to enjoy a positive experience overall. Students from Year 4 to 6 class will also be the target customers. Parents are welcome to assist classes, through the class teacher.

**Dress Code**

The Education (General Provisions) Act 2006 enables school communities to develop a dress code when students are attending or representing the school. Grand Avenue, as a uniform school, has a dress standard in relation to-

- clothing worn by students – including headwear and footwear
- students’ personal presentation.

Parents and students are reminded of the following expectations:-

**Girls winter uniform:** Girls may wear plain navy tights/leggings. Must be full length (feet in). Socks must cover ankle length. Can only be worn under dress uniform or skort. It is not acceptable to wear tights/leggings with only a school shirt.

**Boys uniform:**
- Navy drill long leg shorts. (no jeans/cargo shorts/boardies etc)
All students:
Students should be wearing either navy or maroon coloured fleecy jumper or track suits. White socks or GASS socks (available at the uniform shop)

Jewellery
Students may wear a watch, flat signet ring, small plain sleepers or stud earrings. Medical alert bracelets or necklaces are approved.
Items of significant religious belief must be worn under clothing eg. cross necklace
Other jewellery must not be worn. It may be unsafe and become caught in play equipment or come in contact with another student causing injury. Visible body piercing other than in ears is not acceptable

Nail Polish
Only clear nail polish is to be worn by students, if any. Students are not permitted to wear cosmetic make-up.

Hair
Long hair is to be tied back, braided or plaited. Extreme hairstyles and dyed hair are not permitted.

We pride ourselves on being a school of “High Expectations” and that standard includes wearing the GASS school uniform correctly. Thank you to all of our wonderful parents who support our high standards and ensure that your children have all necessary items for school. However, to achieve the highest standards in our presentation, the school requires the support of every parent, to ensure every student wears correct uniform daily.

Walk Safely to School Day
The Active School Travel committee works to improve the health of our students and simultaneously improve safety around the school. The committee operates with the support of the Brisbane City Council. It has organised a “Walk & Talk to School Day” for Friday 22nd May. Parents are encouraged to park and meet at an assembly point on Woogaroo Street before 8:20am. Parents and students will then form a “walking bus” when walking with friends to school. The bakery may prove a popular stop for parents as they return to their cars afterwards. See below for full details.

The committee has also organised for approx. 50 students from Prep and Year 1 to participate in a free Scooter Skills Training. All students were provided with an invitation this week. Forms must be returned by Thursday 21st May.

BOOK FAIR IS HERE!

Ashton Scholastic Book Fair
Library

Once again, we are working on our major fundraising effort in the Library.

Book Fair opened on May 20th.

Books generally cost between $10.00 and $15.00; posters are $5.00; there are novelty items such as diaries, and notebooks, and all sorts of stationery items ranging from $1.00 for an eraser, $2.00 for a Clickit pen, or a lunch box of erasers, to fibre optic pens for $4.00. The children will be able to fill in a Wish List to give you an idea of what they would like…..

If you would like your child to buy “something” from Book Fair, they need to have at least $1.00 to spend.

Children and parents are welcome to visit the Library from

**Wednesday 20**th **May to Friday 29**th **May**

**at any time** between 8.15 am and 3.30 pm

Parents and carers are very welcome to visit during class time, to avoid the mayhem.

Orders (with payment) will be taken for items that are sold out, and these orders will be delivered to your child’s classroom within a week of the Book Fair.

We would be very grateful for your support of this venture.

Sincerely,
Helen Mackintosh

NEW PHYSIO

My name is Dominic Hanson and I am the newly appointed Education Qld Physiotherapist for Grand Avenue State School. I have been supporting Students and Teaching Staff in mainstream and special schools across Queensland for the past three years and have been given the opportunity to work at Grand Avenue since the previous physiotherapist, Louise Hanna, left the position last term.

School-based physios like myself are available to consult with Teachers in how best to support their students with disabilities. We work on a referral basis so for our service to be accessed for a student, a staff member must present a formal referral as well as a parent permission slip for therapy. If you have any questions or urgent concerns, please contact me on 3372 0547 (Grand Avenue SS Therapy Office), or email me at dxhan1@eq.edu.au. Each Thursday, I’ll be working at the school for the full day but can arrange to visit the school at other times if required. I look forward to working with staff and students of Grand Avenue in 2015!

Regards,
Dominic Hanson

Chappy week

This week (17 – 24 May) is Chappy Week!

Did you know...

Chaplaincy has widespread support from the public and from schools.

- 65% of Queensland schools have a chaplain... which is their choice to make.

Chaplains are trained and work in partnership with other caring professionals.

- All chaplains are training to the government’s required standard of a Certificate four in Youth Work or similar. But actually 90% of chaplains hold higher qualifications in Diploma’s, Bachelor’s and post graduate degrees.

Chaplains provide pastoral care, spiritual support and referral pathways.

- Chaplains do not provide formal counselling but refer. Chaplains are approachable as they are seen as less intimidating than traditional authority figures. This allows them to be made aware of situations before they reach crisis point.

More information about Chaplaincy can be found here- [http://www.sugld.org.au/snapshot/](http://www.sugld.org.au/snapshot/). This is research that was undertaken by SU Qld last year in partnership with McCrindle research.

Jail for Bail

To celebrate Chappy Week, we are holding Jail for Bail at Forest Lake Village this Saturday 23 May, from 9am. Mrs Brown has volunteered to be ‘locked up’ in jail, and she needs our help to bail her out! Funds raised are tax deductible and will support Chaplaincy at Grand Avenue State School.

Thank you to everyone who currently supports the chaplaincy service – by giving their time or money – government funding only covers two days a week for our school – the rest of the money needed comes from the community. If you would like to help, please contact Chaplain Erin for information on volunteering opportunities or how to donate.

Father of the year 2015

Nominate a deserving dad today for the 2015 Queensland Father of the Year Award.

The Queensland Father of the Year Award is designed to honour and celebrate the importance of fathers and father-figures throughout our state and its local communities.

The aim of the award is to recognise the significant role fathers play in their children’s wellbeing and development, and to raise awareness of the value of fathers in the family and the community.

The six Regional Finalists will be invited to a luncheon in Brisbane on Wednesday, 2 September, at which time the Queensland Father of the Year winner will be announced.

Act fast – nominations are open until 17 JULY at qldfatheroftheyear.org.au

Hi everyone,

Our big Ekka Fun Day event is coming soon. This year we have more events on the day and new rides. In the next newsletter I will tell you all about what’s going on during the day! We do need some volunteers on the day and a few people to help with a few things before the event. Donna our fundraising guru has more information in this newsletter. The money raised from this event is to be spent on a multi-purpose court on the oval near the cricket nets, including hand ball courts, with a block wall!

I am pleased to say that funding has been approved for the Year 1 playground ($40,000) to be built over the coming holidays - a really worthwhile project. We have almost completed our storage shed as well which has come in on budget.

I would like to invite parents of our school to join our P&C Facebook page. It’s a great way to find out what’s happening at the school. Please ask on the site to join. Search Grand Avenue State School P&C.

Our Mother’s Day event was a great success! Thank you Donna Clark for all your work on this and to all those who helped during the 3 days. We made a profit of over $4500!

Finally, thank you to all the people involved at the Under 8’s day at the school on yesterday, it was very busy! It was an amazing success with over $1,270 raised for the school.

Regards,
Gavin Rook

School spirit at the Mother's Day Stall!

A BIG thank you to the volunteers that helped in the recent Mother’s day stall. We had an awesome response to the gifts, and it is lovely to see the children choose the items for their beloved parents.

On the last day of the stall we had a few extra helpers, alongside the wonderful Forest Lake High School volunteers. As you can see in the picture school spirit begins very young at Grand Avenue.

I hope you all had a great Mother's Day weekend.
