Dear Parent/Carers

Welcome back to everyone, especially to our new students and families. I hope you are all feeling energised after the Easter break and ready to take on the challenges of what is going to be an extremely busy term.

I am looking forward to being part of our school’s celebrations of the ANZAC spirit on Friday 21st April. It will be a special time to reflect on Australia’s involvement in the First World War and the ensuing century of service of Australia’s Armed Forces. These span across all wars, conflicts and peace keeping operations in which Australia has been involved.

The war changed us and has molded us into the proud nation we are today. I urge you, over the coming days to talk to your child and share stories around our “You Can Do It” success keys, what they meant to our soldiers and what they mean to us today. They are the values of Co-operation (Getting Along), Organisation, Confidence, Perseverance and Resilience.

Parent-Teacher Interviews

We have scheduled a Parent/Teacher interviews for Weeks 3 and 4 (Tuesday, April 26 to Friday May 6). We have allocated 15-minute timeslots across the mornings and afternoons, including an evening sessions on Tuesday 26th April till 8.00pm to cater for working families. Interviews will generally be conducted in the teachers’ classrooms except for Tuesday afternoon/evening where they will be conducted in the library and auditorium.

To co-ordinate the interviews we have employed an online booking system to assist parents in securing their preferred interview times. You will be able to access the booking system from Monday 18th April through to Monday 25th April. No interview requests will be accepted outside of these times.

You can access the booking system by going to our school website www.grandavenuess.eq.edu.au and then click the link ‘Parent-Teacher Interview’ in Quicklinks on the bottom right hand corner.

Teachers may request an interview with you if they feel there is a matter of importance which should be discussed.

NAPLAN

We then move to the National Assessment Program - Literacy and Numeracy (NAPLAN) for all students in Years 3 and 5. They will be assessed using national tests in Reading, Writing, Language Conventions (Spelling, Grammar and Punctuation) and Numeracy. The data from the NAPLAN test results gives our school the ability to compare our students’ achievements against national standards and with student achievement in other states and territories. It also allows the monitoring of progress over time.

It is absolutely imperative for all our students in Years 3 and 5 be present on the allocated days to complete the tests.

The NAPLAN test dates are Tuesday 10th May, Wednesday 11th May and Thursday 12th May.

John Joseph Article

This week, John Joseph brings you Part 4 of 6 articles. In this article, John examines how imagination can create healthy concepts and what we can do as parents to teach our kids optimistic thinking. We introduce the idea of using questions to stimulate healthy thoughts and associated emotions.

Remember our school target for attendance is 95%. It’s imperative that we as a community unite to monitor and promote attendance because research shows that if your child attends school every day, they are more likely to achieve high results in the future.

3 Things Parents Must Tell Their Children When They Begin a Musical Instrument

Anthony Mazzocchi

Hopefully your child will begin a musical instrument through their school music program. If so, when they bring home their instrument for the first time, it is more than just an exciting day...

...It is an opportunity...

...Perhaps one of the greatest opportunities in your child’s life thus far.

Here are three things parents need to know and be able to express to their child as soon as they begin learning to play a musical instrument:

1. "You are allowed to fail, and you will become better because of your failures." There are no red pen marks for missed notes in music the way there are on tests — there is nothing to feel bad about when you play something “wrong” in music. To become skilled at a musical instrument — and to become great at anything — one needs to struggle a little. In your child’s case, they need to sound bad before they sound good; they need to work on things just beyond what they are capable of in order to get better and smarter, and that means they need to make mistakes. There is a small gap between what we all are able to do and where we want to be, and focusing on that gap makes us better learners and better people. Learning a musical instrument allows us to grow from our mistakes.

2. "Hard works trumps talent every single time." Practicing a skill over and over, the right way, fires circuits in our brains that solidify that skill. Sure, some people find some skills easier at first than others, but the people who practice that skill daily in order to “burn it” into their brain will always far surpass people who don’t practice enough. Practicing a musical instrument helps children learn the universal truth that hard work trumps talent.

3. "This is a long-term commitment, and we are going to stick with it." Studies have shown that students who identified that they would play their instrument for longer than one year outperformed students who only committed to one year of playing by up to 400% — practicing the same amount of time if not less! The ideas and mindsets students bring to their musical instrument study have a direct effect on their success, and it’s the parents’ role to set the tone on the first day by not giving their child an "easy out" to quit. Make the decision to invest in your child’s music education for at least a few years of their schooling and you will see results.

The first ensemble competition of the year for the Concert Band and Senior String Ensembles is in Week 6 of Term 2. The two ensembles will perform for adjudicators at Forest Lake State School on Friday 20th May along with other primary ensembles in our area. All students will require a Grand Ave SS Music Uniform for this performance. Black shoes and Black socks are necessary and a vital part of the Uniform.

Chaplaincy Dinner Choir

Students in Yr 4 – 6 have the opportunity this week to join a special choir which will perform at the Westside Chaplaincy Dinner (a fundraising function to support school chaplains in our area) on Wednesday 18th May. The choir will perform at approximately 6.25pm. Parents/Carers are asked to read carefully the permission note for this choir as this is an evening commitment. Permission notes will be handed out this week and are due back by Wednesday 20 April (Wk 2).
**Senior Choir**

A small, committed group of students sing every Wednesday morning before school in the Auditorium training their voices and ears to sing on pitch, in unison and parts. This group will be representing the school at Singfest and the Silkstone Eisteddfod later this year as well as many of these dedicated students singing the vital harmonies in both the ANZAC Day and Chaplaincy Dinner choirs.

**Musical Holiday Performer**

Year 5 student Sinead Van Der Sluys spent her autumn holidays working hard, rehearsing and performing in the recent Harvest Rain production of Hairspray. Although tiring, Sinead enjoyed all aspects of the experience especially costume and makeup.

NEWS FROM PREP

News from Prep H....

Here we have the amazing Prep H students in their cultural dress for Harmony Day. Every day we say good morning in a different language. We enjoyed activities such as origami, Chinese lanterns, friendship chains, and a Harmony day pendant. It was lovely to see all the parents involved on our room.

Aloha, Bon Jour, Ola!

NEWS FROM YEAR 1

News from Year 1D.....

1D have been very busy learning all about calendars. We can say our days of the week and our months of the year. We have also been learning about the four different seasons of the year. Most of us now know what month our birthday is in and some of us can even tell you what day it is! We have also been discussing special events and when they are held. This month we have one birthday and a very special day called ANZAC Day. We will be doing some special activities to help us understand what ANZAC Day is all about including a laying of a wreath ceremony.

P & C NEWS

FROM THE P&C PRESIDENT ..... 

Welcome back to school for the start of term 2. I hope you all had a great Easter break.

At the end of the holidays we had our monthly Markets on Grand. Held on the second Sunday of every month, we have a great range of stallholders. The next market is on Mothering Sunday (8th May) from 8.00am until 12.30pm. Be sure to come and treat your mum to a present or a wonderful cupcake.

Also during the holidays the shade structure on the oval had its floor recovered in the school house colours, ready for the upcoming cross country and sports carnivals. This has really renewed the structure and will hopefully last long into the future.

Those of you who use the OSHC (outside of school hours facility), will have seen the fence blocking the turning circle at the back of the centre. This is the start of the building works for the extension of the facility. This extension has been funded by the P&C and has provided an extra 34 places for before and after school care. This will allow space for the many families who were previously on our waiting list and will help accommodate the number of new families entering the school every year.

On ANZAC Day I urge you to join our school in the Forest Lake RSL March and Service, held at the Lake Memorial. I have attended many of these with the school and have always found them to be a wonderful event to be a part of.

Today I would like to introduce you to some other members of the Executive Team for 2016. I am honoured to be part of the P&C team with these fellow parents:

**Vice-President** – Naomi Henry
**Secretary**– Kylie Gates
**Treasurer** – Ian Watson

Contact us at: gasspandc@outlook.com

Donna Clark
P&C President

Hi everyone. I’m Naomi Henry. I’m a Mum of 5 darlings, ranging from nearly 17 down to my lil Bub about to have her first birthday. I’ve been a parent at Grand Avenue since 2006 and will be until 2026... Over that time there’s been a lot of changes and great things at our school. We are very lucky to have such a hard working P&C within our school, which I love being involved with. This year, my role is Vice-President, and again I’m involved with the school Banking. I love that I am able to work this involvement in around other commitments of study and my family. There’s always heaps to do to keep us on our toes, but working with a great group, sure makes it easier. And when the kids benefit so greatly, it makes it all the more special.

Hi there I’m Kylie, the committee’s secretary. I have been so for the last 2 years and glad to be re-elected for 2016. I have two boys at GASS, grade 5 & 3. Amongst part-time work I have two small hobby businesses but love being able to volunteer my spare time to the P&C. It’s been a great way to express my opinion, make suggestions and raise funds all for the good of our students now and for the future.

I look forward to promoting the Daniel Morcombe Foundation day in October but first help organise the best Ekka Fun Day yet! Stay tuned and pencil August 10th in your diaries today! I look forward to seeing some new faces at our next meeting.

Hi, my name is Ian Watson and I am the Treasurer of the P&C. My sons Xavier is in Grade 4, and Joshua is in Grade 2. My daughter is in Grade 9 in high school and previously attended Grand Avenue. This is my 7th year as Treasurer, and prior to that I was the Assistant Treasurer. I am also the Treasurer of the Forest Lake Baptist Church and previously the Treasurer of the Inala C&K Preschool. My full-time job is Finance Manager with Ergon Energy co-ordinating their corporate budgets. As a qualified accountant, it has been a great pleasure to contribute to the P&C in the Treasurer role. It has been very rewarding to see what the P&C has been able to achieve over the years. Besides spending time with my wife and kids, in my spare time I like to keep fit and compete in triathlons.

Grand Avenue P&C Fundraiser

We are still awaiting delivery of the Year 6 polo shirts. As soon as they arrive we will arrange distribution to the students. We anticipate delivery to be during the first 2 weeks of term.

MEET RUBY THE DOG!

This term we have a new addition to the school! Ruby is a Golden Retriever/Poodle, accredited as a Story Dog. You will see her around the school wearing her bright orange cape. Initially, Ruby will work with selected Year 2 students, however she will be available to all students should they wish to interact. Ruby will be in the care of a handler at all times.

When children read to a Story Dog the results can be amazing. The non-judgemental nature of dogs helps to improve children’s focus and increase confidence and literacy skills. Learning to read is often less about intellectual limitation than about overcoming fears. Being fearful or anxious about reading sometimes means students are reluctant to take risks and learn from mistakes. Animals are ideal reading companions because they don’t judge, laugh or criticize. The dog, together with a reading teacher, will conduct sessions with students each week.

If you would like any information about Ruby, please contact Cathy Forbes, Guidance Officer.
