

Grand Avenue State School

EAL/D Questionnaire

(Please complete ONLY if a language other than English is spoken at home.**)**

As part of the Education Queensland's English as Another Language or Dialect Program (EAL/D), students and/or parents who were born in a non English speaking Country and/or speak another language besides English at home are entered into a central database. It is a guide to ensuring that these students are provided with appropriate support during their schooling in Queensland.

We realise that some of these students are quite proficient in English, therefore school-based support is not required. However, their progress will be monitored in case difficulties occur at any stage. All relevant student information is required.
