

Grand Avenue State School – 2025 Student Resource Scheme (SRS)

This letter includes important information about the fees and inclusions for the 2025 Student Resource Scheme (SRS). If you have previously opted into the SRS, your participation is assumed for the remainder of your child's enrolment, unless you inform the school otherwise by completing a new participation agreement form. If you are a new parent to the school, this information will assist you in making a decision as to whether you wish to participate in the SRS.

What is provided by the Queensland Government? The Queensland Government supports children's education by providing funding for instruction (teachers), facilities (school grounds and buildings, internet), and administration (staff to run the school). Funding for schools does not extend to individual student resources such as textbooks, equipment for personal use, excursions, camps or incursion and many items used by the student in the classroom.

Participating in the SRS offers a convenient and cost-effective way for parents to ensure their child/ren have the items they need for school and that all students have access to the same standard of resources. The school is able to purchase resources at lower rates due to its bulk buying power. Resources such as textbooks or musical instruments that will be used over a period of time are hired to students to further reduce costs for families.

The types of resources that will be included are:

- *Owned by the student* – eg. all student stationery supplies – once provided, these items are retained by the student and used at their discretion.
- *Hired to the student for a specific duration of time* – eg. textbooks, musical instrument. These items will need to be returned to the school in reasonable condition at the end of the hire period or if the student leaves the school.

Year 1 2025 SRS is \$75.00

If you are not satisfied that the SRS fee represents good value for money based on the inclusions (over the page), you may choose not to participate in the SRS. If this is the case, please complete a new Participation Agreement Form, indicating that you no longer wish to participate.

Kind regards,

Racheal Jones
Principal
