

Investing for Success

**Under this agreement for 2022
Grand Avenue State School will receive**

\$478,912*

This funding will be used to

- Improve student literacy skills across all key learning areas
- Build success for students in the early years of education.
- Ensure differentiated learning by engaging students in learning opportunities appropriate to readiness and individual need.
- Facilitate teacher and teacher aide professional learning by building collective capacity.
- Ensure high levels of student engagement in learning through programs and interventions which meet student need.
- Ensure an inclusive approach to ensure targeted intervention strategies are implemented for our most vulnerable students in our Special Education programs.
- Creating leadership and character development opportunities for all students that strengthen student voice, build confidence, resilience and optimism, allowing students to discover their unique talents and strengths.

Our initiatives include

- Providing targeted intervention strategies for students identified at all ability levels in order to maximise their achievement and growth in both literacy and numeracy.
- Continuing to develop and implement strategies which extend and support the academic and personal development of all students.
- Implementing ongoing improvement plans in response to student performance data
- Continuing to expand our student wellbeing initiatives.
- Continuing to build teacher and teacher aide capacity and focus on staff wellbeing initiatives.

Our school will improve student outcomes by
