

Grand Avenue State School

EAL/D Questionnaire

(Please complete ONLY if a language other than English is spoken at home.**)**

As part of the Education Queensland's English as Another Language or Dialect Program (EAL/D), students and/or parents who were born in a non English speaking Country and/or speak another language besides English at home are entered into a central database. It is a guide to ensuring that these students are provided with appropriate support during their schooling in Queensland.

We realise that some of these students are quite proficient in English, therefore school-based support is not required. However, their progress will be monitored in case difficulties occur at any stage. All relevant student information is required.

1. What is the main language spoken at home?
